What do we do? The entire programme will be based on games and fun drills through which the children can successfully pick up fundamental cricket skills and develop a strong sense of progress and achievement.

Willing to help? We are always looking for parents to help out with the coaching (regular or occasional basis) and the Club is committed to supporting any helpers through formal coaching qualifications if interested. Please advise on the form below.

How to register? Complete and return the attached form no later than 8 January 2012. Numbers are limited because of the size of the hall, so please book sooner rather than later.
